Corporate Profile

Hi-Crush is a fully integrated, strategic provider of proppant and logistics solutions to the North American petroleum industry. We own and operate multiple frac sand mining facilities and in-basin terminals, and provide mine-to-wellsite logistics services that optimize proppant supply to customers in all major basins. Our PropStream® service, offering both container- and silo-based wellsite delivery and storage systems, provides the highest level of flexibility, safety and efficiency in managing the full scope and value of the proppant supply chain.
